

STREET FURNITURE

FILE SETUP

Files should be supplied in CMYK as high-res PDFs. All artwork should have 10mm bleed around the trim size. To reduce file size, artwork can be supplied at ¼ of the final trim size at 250 dpi (files at full size are still acceptable).

Please ensure OVERPRINT is turned OFF in your print files. If OVERPRINT is left ON, this could lead to print issues.

PRINT NUMBERS

Your Campaign Delivery Executive will supply specific delivery instructions for each campaign, showing splits between formats/creatives/markets, filler and spares, as well as all depot addresses and deadlines. Please contact your Campaign Delivery Executive to discuss material instructions for campaigns with more than one creative – material instructions must be supplied to oOh!@ on an up-to-date oOh!@ site list.

FILE DELIVERY

Print ready files and material instructions are due at oOh!@ **2 weeks prior to campaign start date**. Final artwork to be submitted to your Campaign Delivery Executive

If printing externally, a low-res PDF of all artwork must be submitted to your Client Services representative for commercial approval prior to printing. All alcohol advertising must be approved by the Alcohol Advertising Pre-Vetting system (AAPS), and a copy of the AAPS form supplied to your Client Services representative .

POSTER STOCK

The following poster stocks are accepted by oOh!@: 158gsm Yupo for Superlite, Superlite Scroller and Metrolite formats.

FILE NAMING CONVENTION

Files are to be named in the following for **CONTRACTNUMBER_CLIENTNAME_FILEXOFX_FORMAT.EXT**

POSTER DELIVERY

Posters are due at oOh!'s depots no later than Monday 5 working days prior to the campaign start date for on-time installation. Posters delivered after this time may be installed late.

Posters should be delivered according to quantity/ state as per the below table. Please do not use staples, or wrap tubes in plastic. Campaigns of more than 100 posters should be delivered on pallets, except for NSW where deliveries of more than 50 posters should be delivered on pallets. Poster quantities less than 50 can be delivered in tubes in ACT, QLD, VIC, SA and WA.

POSTER RECYCLING

oOh! recycles all printed poster copy at the end of the display period. Please contact your Campaign Delivery Executive at the time of booking to make alternative arrangements.
